House 350sqm

PROPERTY FACTSHEET

House for Sale in .

43,000,000 THB.

These Oriental/Contemporary style properties are designed using Asian inspiration along with the best in western quality. Great location on the Pattanakarn-Srinakarinda road.

Beautiful and spacious Oriental Contemporary architectural style housing, with interconnecting floors for maximum utilization.

Open Plan Concept is utilized for the purpose of interconnecting floors inside the house; large doors floor-to-ceiling height windows and doors to create supreme visibility to the outside; and high ceiling to allow breezes, ventilation, and sunlight to reach the interior.

Use of Pitch Roof with Large Overhang to provide shades and protect from sun and rain, with a veranda for relaxing moment outside the house.

Law of Feng Shui applied where entrance to the house, location of the doors, etc. appear in the right place and face the right directions, as locals do believe.

The interior is designed and decorated with materials which symbolize nature such as wood, marble, etc, combining with contemporary-style furnitures and antiques, focusing upon the feeling of warmth, comfort, and closeness to nature.
